DODGE CITY, KANSAS, THURSDAY, MAY 7, 1903.

TWENTY-SEVENTH YEAR, VOL. XXVI, NO. 31.

SURVEYORS

ARE AT WORK.

Everything Still Looks Good

For Cut Off.

WILL GO NEAR SANTA FE

And Will Continue on West
to Albuquerque.

The cut-off proposition still points as nearly toward certainty as it will or could until the building is in actual progress. The locating engineer's office is busy here, and the surveying corps is at work south-west of town. It is understood that the surveyors will begin on the old Montezuma line at a point about fifteen miles south-west of Dodge City and will run a line from there to Albuquerque. The line, it is understood, will go through Haskell and Stevens counties, missing the town of Santa Fe a few miles.

There is still nothing official in the report of the new road, but the fact of the present proceedings almost warrant the cut-off from Dodge City being a certainty.

Besides this, other things have occurred which show that if the cut-off is not built some who at least should be on the "inside," will be as badly deceived as the general public. Certain deals have been made that have pretty well clinched the belief that the company has decided definitely to build from this point.

While the building of this cut-off will not be such a great help to Dodge City as some believe it will make a larger town here and be a benefit in a number of ways. The first and perhaps the greatest benefit will be to insure the town not being left off of the through California line.

NOTABLE WEDDING.

Straeter Home Was Scene of Happy
Wedding and Many Guests.

One of the prettiest, most largely attended and altogether notable weddings that has ever taken place in Dodge City was the wedding at the Straeter home on last Monday evening, when Miss Adeline Straeter, the only daughter of Mr. and Mrs. Walter Straeter was married to Mr. Guy T. Howard of Kansas City.

A number of guests were present from Kansas City and other places and over 150 of the bride's friends at Dodge City. Father Leuehan officiated. After the ceremony which occurred at 9 o'clock, a wedding supper was served which will be remembered by all of the guests as one of the greatest feasts of their lives. After supper the guests were entertained with music and in various ways and it was near morning before they departed. Mr. and Mrs. Howard left for their future home in Kansas City on No. 6 Wednesday morning, and half of the town was at the depot with them.

Mrs. Howard is very popular among her friends here. The presents received at the wedding were almost numberless and many of them were handsome and expensive gifts.

Mr. Howard has a prominent position in a railway auditor's office at Kansas City and they will make their future home there.

Notice to Voters.

The city registration books will remain open at office of City Clerk up to May 16 at which time they will be closed for the election May 26. Office hours from 9 a. m. to 11.30 a. m. and from 12 m. to 5-30 p. m. and from 6.30 p. m. to 10 p. m. daily, Sundays excepted. S. GALLAGHER, Jr., City Clerk.

IN SHORT GRASS LAND.

A "snowbound" train on April 30 will be one of the 1903 recollections of the people of Dighton.

W. H. Lee, editor of the Dighton Herald and county attorney of Lane County, died very suddenly in his office Sunday.

A case for disturbing the peace tried in justice court at Ness City last week, cleared the defendant, and came near convicting both of the lawyers in the case of assault and battery.

The editor of the Meade County News has been commissioned a notary public and has notified the public that any one may swear to his heart's content without violating the church rules by coming to his office.

The telephone line promoters have discovered that the ranches of South-western Kansas can afford to use phones.

W. T. Watson, son of Post master George Watson of Kinsley, bought an automobile last week. A short time ago the young man's father was badly hurt in a runaway and he has concluded to boycott the horse henceforth.

A Gray county man's cyclone cellar caved in last week. If there had been a bad looking cloud in the sky at the time the man would have been in the cellar.

The Garden City Herald in a fling at Santa Fe says: "Santa Fe is ready for its summer sleep, the literary has adjourned." And the Santa Fe Republican retorts: "And Garden has just heard the prayers of her high school graduates and is tucking the covers gently about them and the light flickers like the oil in low and Garden is tired and sleepy too. Pretty soon you will hear her sawing logs to beat the band."

Last Monday night at about 10 o'clock Vine De Pul was pleasantly surprised to receive a serenade. It was Messrs. Thomas Boyd, Robt. Perkins, Charles Fields and C. Zimmerman who remembered him in this way. With mandolin, guitar, violin and flute they filled the city hall yard with sweet music. The music soon attracted a large crowd about the city building. Mr. DePul expresses the wish that they will soon come again.

DODGE CITY WINS.

Home Ball Team Still Holds Its Record of no Defeats.

A Hutchinson-Halstead-Stirling-Great Bend-Elliwood combination came to Dodge City yesterday to leave the natives wondering how it happened. The Dodge City team chewed the visitors up and are ready for the next victims. The game was barely even enough to be interesting. Parrish's buzz saw separated most of the visitors from the bat like sawing cheese.

The game opened with the visitors in the lead. At the close of the first half of the third inning the score stood 2 to 0 against Dodge City. This didn't look good to Louie Schmidt. He got a stick and cantered his angular form to the plate. Puckett whizzed the ball through and his catcher went through the motion of clinching it, but Louie gave his hips a hitch and his spine a twist and the bat played whip cracker landing on the ball so hard that it went soaring to the vicinity of Chalk Beeson's pasture. It was then that Louie ducked his head and got his feet busy. He surged away like a prize bucking broncho at a busting. He ran with his legs and his arms and fauned through space until the rapid current almost froze his ears. He pulled in to the starting place before the ball could travel back by the relay stations formed by fielders, shortstop, pitcher and catcher. After that it was easy. Parrish followed Louie's route with stopover privileges by a safe hit and Kilbourne bid in the two first batters with a good solid slug squarely on the east side of the ball. Kilbourne and Green made a trip each in the fifth inning and the score was left at 5.

Puckett got in a run for the visitors in ninth inning which left the result of the game 5 to 3 in favor of Dodge City. The home team thought it would look better that way. It may help them to get a game with a good team.

Weather of Past Week.

The following weather review for the week ending Wednesday, May 6, 1903, as furnished by Mr. E. D. Enigh, observer in charge of office at Dodge City. Prior to the present season the most notable of the killing frosts that have frequently occurred after the middle of April was that of May 1, 1893, when a 24 degrees temperature killed fruit and destroyed gardens. But at no time in our 29 year records had a twenty-four freeze occurred after April 15th, until that of April 29-30, 1903. Intensified by rain followed successively by sleet and snow driven by high northerly winds, freezing weather was continuous from Wednesday morning to Thursday morning, with a minimum temperature of 25 degrees Thursday morning.

The balance of the week was partly cloudy and cool, though seasonal temperature conditions have prevailed since Monday. Sufficient moisture fell the last of the week to keep the ground in good condition, the total precipitation of the week being 0.41 of an inch, 0.28 of which fell Monday and Tuesday nights.

FOR MEMORIAL DAY.

General Order Issued by the Department Commander.

Department Commander Loomis of the G. A. R. has issued the following Memorial day order:

"As the buds of spring again begin to fill the air with their sweet fragrance, we are reminded of our duties as comrades living to our comrades dead, as well as the duty enjoined upon us by the well established customs of our order—the observance of Memorial day. One year ago there were many comrades with us who have since answered to the last roll call. They will no longer be found in our Post rooms. Let us with love and tenderness strew spring's sweetest flowers upon our dead comrades' windowless palace of rest, and pay our tribute with such earnestness and sincerity that it will teach those around us to appreciate the nation's dead, and form a lasting link between our achievements in the past, the security of the present and the hope of the future.

"Let every grave where a defender of the flag lies receive its tribute. Let orators with thoughtful speech proclaim their heroic deeds, and impress the rising generation with the results accomplished, and thus instill a patriotism that will keep our land united and every citizen a defender of the nation's honor.

"Memorial day, May 30, occurs on Saturday this year, and will be properly observed by the Post of this Department.

"It is enjoined upon each Post of this Department that arrangements be made to attend divine services in a body on the Sunday preceding Memorial day.

In the interest of patriotic education among the children, it is hoped that the custom established in this department, of having comrades appointed to visit the public schools preceding Memorial day, will be continued.

"The reading of Lincoln's Gettysburg address as recommended should become a part of every Memorial day exercise, and should be made a special feature."

The Most Popular of Shows.

The famous Campbell Bros. Shows is duly announced for the grand exhibition at Dodge City, May 13. It is the consensus of opinion that the above Shows are years in advance of all others in point of merit in the possession of modern feats and features that have no peer or parallel. Its managerie containing the choicest and most rare specimens of zoology's realm. Its marvelous ethnological display being unequalled and the aquatic wonders embracing deep sea monsters as well as amphibla. The arena attractions are numerous and novel and without doubt far surpass in general interest any seen here or elsewhere in the past. We look for a very large attendance on the occasion. Preparations are being made to entertain the masses so that none who visit us on May 13 shall say on their return home that their reception at Dodge City wasn't cordial and hearty.

Jury For June.

The jury for the June term of court was drawn last week. The following twenty-four names were drawn out of the box: H. A. Holtfreich, Dodge City; Mike Drennon, Bucklin; Frank Ottis, Dodge City; W. P. Gray, Dodge City; E. C. Stone, Dodge City; John Whitaker, Richland; Frank Chapman, Dodge City; Jere Shaw, Dodge City; J. L. Cord, Dodge City; Jonathan Scott, Spearville; Chas. Kinkaid, Richland; Harry Taylor, Dodge City; George Wilcoxen, Ford; G. Bohnstengel, Dodge City; S. H. King, Royal; J. P. Wrighten, Grand View; Oliver Riechart, Spearville; John Lindburg, Bucklin; Fred Wiedow, Spearville; T. B. Rice, Dodge City; J. F. Oneal, Richland; W. P. Lierle, Royal; A. N. Gissel, Dodge City; Thos. Walker, Dodge City.

MRS. LEWIS ELECTED.

Seventh District Club Women Won the Victory.

Mrs. Cora G. Lewis of Kinsley was elected at Wichita this morning to the office of president of the State Federation of Women's Clubs of Kansas. The delegates from the Dodge City Clubs went to Wichita to work in the interest of Mrs. Lewis, and some of the Club women here were helping to manage her campaign.

The Seventh district women were lined up for Mrs. Lewis and proved that they are very good politicians. The Topeka crowd favored the election of Mrs. Cowley of Columbus and so the Capital city has one more cause of complaint against the Seventh district.

Mrs. Lewis is one of the most cultivated and brilliant club women of Kansas, and her election will be a boon to the Federation.

Petticoat Sale

Also Tailor Made
Suits, Dress Skirts,
Walking Skirts and
Silk Skirts.

All marked at extremely low prices to insure quick
and complete clearance.

These reductions apply to all Ladies Tailor Made Goods.
Judicious Economy will induce an investigation of these
offerings.

COUNTY HIGH SCHOOL.

Mr. Webb Writes His Ford County
Friends on the Subject.

The following letter from Mr. E. D. Webb who was formerly superintendent of the schools here, and who still has the deepest interest in his friends and the affairs of Ford county.

Boulder, Colo., Apr. 27, 1903.

To my Ford county friends:

I notice some discussion of the High School question in both the Spearville and the Dodge City papers.

I do not wish to take part in the controversy, but I would like to have all the people of town and country unite on whatever policy will prove to be the best for the schools.

Many of the best students come from the country. Some of them have won highest honors in High School work.

The town has never so far as my knowledge goes charged any tuition to pupils outside of the district. There have been many outside pupils attending Dodge City schools. This looks like a liberal policy on the part of the town.

Ford county boys and girls are worthy of the best that can be given them. More can be done for them by a united than by a divided effort.

The reflex influence of a good school will prove of great benefit to both town and country. I should think the burden of maintaining such a school could be equitably distributed. At least I hope that whatever action may be taken the highest educational interests may be subserved.

Very respectfully,

E. D. WEBB.

For Department Commander.

At a regular meeting of Victor Post No. 293 Department of Kansas G. A. R., a resolution was passed on motion of Post Commander Evans, that we as a Post endorse the name of D. L. Sweeney as our candidate for Department Commander. As a Post and as two Delegates and their Alternates and eight Past Commanders we stand pledged to work and vote for Comrade Sweeney at the McPherson State Encampment, and by unanimous vote of the Post it was so ordered.

J. H. TUTTLE,
Post Commander.

D. D. ROSE,
Adjutant.

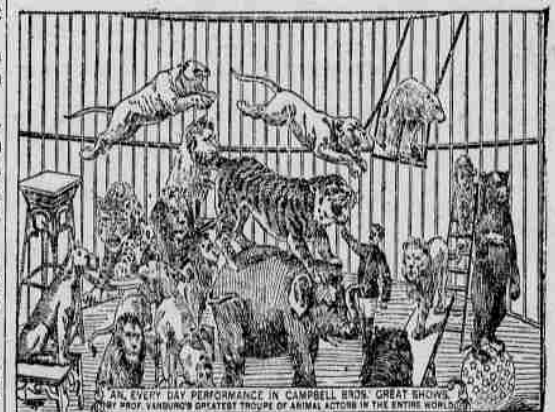

John Rush will return home next week from a visit to Ohio.

Coming to Dodge City, Kan.
one day only, May 13, 1903.
